

NEWS FLASH!

JULY 2021

Greetings All,

IMPORTANT! Our last term time football session will be THURSDAY 22ND JULY 2021

and we will return in September!

Keep eyes peeled over the summer for any exclusive activities associated with FLASHPOINT FC.

Firstly I'd like to say a massive THANK YOU..

To all that have shown faith and patience in me over the last year, those who support us in any way.

Prior to the pandemic and my redundancy [FLASHPOINT FC](#) was something I had promised the young people before I left.

Over the lockdown period I managed to gain a couple football qualifications (10 in total.. go me) to help further the development of the club. Having these now means we are eligible for competitive football, Our U13 team is officially registered to the *LONDON FA* and will hopefully be competing competitively for the 21/22 season. The amount of members signed up has been overwhelming and to continue to ensure everyone has as much of an equal opportunity as others we will intend to register 2 possibly 3 additional teams of various age groups with U9 and Girls being the main focus for the next 6-9 months.

Being a small non for profit community youth football team we rely on grants and funding to do the majority of the things we do atm. As a reward for the squad and all their hard work we want to continue to build team spirit prior to next season. I would like to take as many of the squad (if not all) on the #FlashpointSummerTour a series of football related trips as well as the pre-arranged friendly matches.

I've set up a gofundme page to try and generate some additional funding/revenue to go toward the costs for this. I will keep everyone updated.

please click [HERE](#) and share as much as possible.

A few more things before I go (essay or what?!) a quick special mention for our Volunteers (*Leon, Travoy and Al Ameen*) who are all now in the process of gaining their FA Coaching Qualifications *insert round of applause here* But seriously without you guys the session wouldn't have been able to run as smoothly as it has (beside the odd tantrum) not only myself but the squad appreciate you guys. Also *Tarik* and [Minds United FC](#) for supporting the staff teams coaching development. **#LionsInTheCamp**

Lastly but certainly not least, our U13 shirt sponsor for the upcoming season the [World's End Lots Road BIG LOCAL](#) (welr). They have provided us with a refurbished laptop to help with day to day running of the club and some well needed funds for equipment and the **Flashpoint FC** Home Kit. (which is coincidentally is available for purchase now via the kitlocker website.)

*For all your latest **Flashpoint FC** merchandise click link [HERE](#)*

I'll be in touch regarding further **Flashpoint FC** activities as soon as details are confirmed. Again thank you for your time and patience we are just as important as the squad players themselves, **Flashpoint FC** is a community club something we can all be proud of and be an integral part of building.

#WeStartWhereTheWORLDsEND

Keep Safe and Best Wishes,

Llyle
